

CERTIFICATE OF CONFORMANCE

in accordance to the US Food and Drug
Administration (FDA)

The following Frenzelit gasketing materials based on modified PTFE are
in fully compliance with the FDA 177.1550 Perfluorocarbon regulation:

novaflon[®] 100
novaflon[®] 200
novaflon[®] 300
novaflon[®] 300 WHITE
novaflon[®] 500

The material is intended for use as gasket material in e.g. pipes and
flanges. Due to this fact, there is a very small contact area and a
relatively short contact time with the medium.

Bad Berneck, September 2017
